

Greetings to Parishioners & Friends of St. Isidore

What a difference a year makes! Already..... it's April 2010

It's full steam ahead for our new church since parishioners voted to begin one year early.

Architect Ralph Vandenberg is in close consultation with the Building Committee. Much is happening behind the scenes. Recent agendas included soil, water and well reports, seismic testing, septic, electrical and pew requirements, traffic studies and fire protection.

With \$1.35 million on deposit, we still require \$145,500 in 'new money' in 2010 and again in 2011. **Therefore, we have 6 fundraising projects in the works:**

- **Over the Top Campaign:** See Pledge Form: flip-over this page. This special pledge should be honoured by Christmas 2011.
- **An Increase to Green Envelope Collection** on the first Sunday of each month.
- **A Part of Our Lives Commemorative Book - \$40** is a photo essay of the old church. Profit to the Building Fund is only \$10/copy, as the book is priced to be accessible to all families. Photos taken by parishioners reflect early and recent images. It's a perfect gift for those who celebrated a special event at St. Isidore and for those who have yet to celebrate First Communion or Confirmation. It's an art book featuring the beautiful stone walls which sadly will come down this fall. Reserve your copy through Carolyn Marushko: carolyn.marushko@rogers.com or the church office.
- **Mahone Bay Painting & GoodLife Fitness Raffle** - Tickets for the Babelowsky painting and the GoodLife membership available after every mass. **\$10. each or 3 for \$20.** Don't miss an opportunity to own a Babelowsky original or to get in-shape. Draw - May 30th. See Jacques Denis or Jerry Bellomo for tickets.
- **CD of 2009 St. Isidore Christmas Concert** - will be available for sale by late summer. First, we require a clever design for the CD jacket. Please submit your creative artwork to Tony Abrego at: tonatiu_abrego@rogers.com
- **Buy a Brick Campaign** - Two wall locations have been proposed in the new church for dedicated bricks. Watch for details coming soon from Kevin Caputo.

Wow! There is a lot going on in our parish! While change is difficult for some... it is also a time of 'opportunity' for others. Imagine the opportunities we have to get better acquainted, to work together, to embrace our parish youth, to dream in colour and to secure the spirit that binds us as a parish family.

Let's all become ambassadors for our new church.
